

APPOINTMENT POLICY

A certain number of adjustments in a given time period is necessary to get the best results from your care and create wellness in your life. While we can't predict the exact number of adjustments you will need, we do know that consistency creates the best results. Therefore it is absolutely necessary that you keep your appointments. In the event that you need to change an appointment we ask as a courtesy to the Dr and other patients that you provide us with a 24 hr notice.

However, if you repeatedly cancel or no show for appointments without adequate notice or without any contact with our office you may be dismissed from the practice and asked to seek Chiropractic Care elsewhere.
